

PLEASE READ THESE INSTRUCTIONS CAREFULLY

1. Print these charts on your printer.
2. Identify the packages you booked on the agency's website.
3. Within those packages place an 'X' in the column titled "WANTED" blue colored checkboxes to indicate the 'sets' you want for your trip. Sets come as a complete package and are not separable.
4. For non-sets, within those packages place an 'X' in the column titled "WANTED" blue colored checkboxes to indicate the individual items you want for your trip.

After you've made your choices, send a pic of each page to us by text, email or through the agency, if they allow attachments.

These pics MUST be sent to us no later than FIVE days before your trip starts. Charts received within five days may not have all the items you've chosen available, due to breakage, items not returned, stolen or purchased by the previous renter. FIVE days gives us time to order new or locally pickup the items.

The TAKEN & RETURNED columns are for us to check out each item and to check in upon return.
